

KINGSLEY MACHINE COMPARISON OLD VS NEW MODELS

All machines can be supported with type and foil. Not all typeholders will fit all machines.

LT = loose type

TW = typewheels

- NOTE:
- ** "A" Old/obsolete machines. Electrical as well as mechanical parts are no longer available.
 - "B" Some parts can be **special ordered**, please check with a customer service representative.
 - "C" Can be supported with most mechanical parts. Electrical components must be reviewed independently for availability as well as adaptability.
 - "D" Current manufactured models. Replacement parts (depending on quantities) can be shipped within a week. **Exception:** Modprint parts are all custom.
