## THERMAL TRANSFER RIBBON

*Serving the packaging industry for over 40 years.*

Norwood Marking Systems' thermal transfer ribbon is formulated to meet the requirements of a wide range of applications on Norwood and competitor printers in the Packaging Industry. Norwood ribbon extends printhead life by ensuring excellent printhead protection, no ink buildup, and eliminating static charges in the ribbon. Ribbon is available in black, white, and colors to enhance packaging graphics and to provide high-quality prints and images all at production speeds.
